In the above-mentioned article, an error occurred in the Systematic Palaeontology section.

The Holotype collection number of the new mosasaurid species *Globidens phosphaticus* is not OCP.DEK/GE 337 but OCP.DEK/GE 361. This wrong number has to be modified three times in this section:

1. p. 169 – 'Type series' section;
2. p. 169 – Figure 2K legend;
3. p. 170 – 'Type F' morphotype description.
